Packing and Shipping:

Packaging and Shipping: Tomato Ketchup Sauce

Tomato Ketchup Sauce is shipped in thick, airtight containers that protect the sauce from environmental contaminants. The containers are made from food grade plastic and sealed with a plastic lid. The containers are then placed in cardboard boxes with an inner lining of foam or bubble wrap to protect the containers from breakage and ensure they arrive safely to their destination.

Once packaged, the boxes are then placed on a pallet and shrink wrapped for extra protection. The pallets are then shipped using a reputable courier service such as FedEx or UPS, and can be tracked from pickup to delivery.
